Dear Mr. and Mrs. Gleave:

Enclosed please find a Grazing Permit (2 copies) that reflects the recent grazing transfer request to you from Bruce Blanthorn in the East Piute Allotment. The enclosed permit or lease is issued under the authority of the Code of Federal Regulations (CFR) 43 CFR Part 4110.2-3 as the result of a transfer of grazing preference and contains the same terms and conditions as the previous permit or lease. This permit or lease may be canceled, suspended, or modified, in whole or in part to meet the requirements of applicable laws and regulations.

Both copies of the grazing permit must be signed by you and returned for signature by the Bureau of Land Management's (BLM's) Authorized Officer. The Approved copy will then be sent back to you for your records.

If you have questions, or if we can be of further assistance, please contact me or Brandon Boshell, Renewable Resource Supervisor at the address and phone number on the letterhead

Sincerely,

Wayne Wetzel
